

Overview

Weatherproof boxes, covers and lighting products

The industry’s preferred choice for more than 50 years – Red•Dot weatherproof boxes and covers withstand the harshest elements and ensure trouble-free installation and performance.

Boxes

Red•Dot boxes are made from durable die-cast aluminum and available in single- and double-gang rectangular as well as round configurations – with a variety of hub sizes to meet all needs.

Lighting

Red•Dot has a complete lighting package for general purpose outdoor lighting as well as vaportight lighting.

While-in-use

Red•Dot offers a wide variety of both metallic and nonmetallic while-in-use covers. All of these covers help ensure that you meet the requirements of the Canadian Electrical Code.

Merchandisers

With your choice of various stock displays or a customized display to fit your needs, Red•Dot makes it easy to increase your counter sales.

Covers

Red•Dot die-cast flip-lid weatherproof covers protect any outdoor receptacle from the elements. Constructed from rugged die-cast zinc, these covers will last a lifetime. A full line of nonmetallic covers is also available.
