

## Red Dot Weatherproof metallic covers

### Universal flip-lid weatherproof covers

CCU

**Universal design installs in both horizontal and vertical applications**

Red Dot universal flip-lid weatherproof covers save you time and money by reducing the number of items you have to inventory to complete a job. Capable of mounting either vertically or horizontally, the covers provide added versatility with innovative adapter plates to support all of the most common installation configurations – 10 with the single-gang cover and 25 with the 2-gang cover. Choose from grey, bronze or white covers.

- Features:**
- Included adapter plates offer 10 installation options with single-gang cover and 25 installation options with 2-gang cover
  - Keyhole openings on back enable easy installation on an existing outlet
  - Durable, die-cast zinc-alloy construction
  - Suitable for use in wet locations with cover closed
  - Available in grey, bronze and white
  - Lockable for security when not in use
  - Easy access to outlet with 130° opening
  - Preconfigured for GFCI – the industry’s most common outdoor application

**Accommodates multiple outlet configurations (receptacles not included)**
