Red Dot Weatherproof metallic lampholders

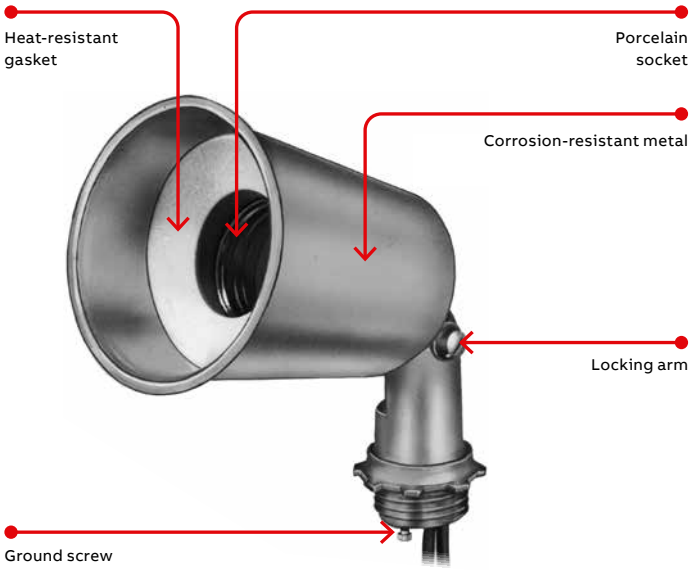
Lampholders, garden lights and accessories



S500EG-CN

S513EG-CN

Applications:

- Security and general outdoor lighting fixture for residential and commercial applications
- Accent lighting fixture for highlighting outdoor signs and architectural details
- Compact outdoor lighting fixture that can be mounted easily in most places and aimed in any direction

Features/benefits:

- Clean lines and precision manufacturing result in a fixture that will enhance any application
- High-quality replaceable porcelain socket with high-temperature leads enables easy field maintenance
- Positive-locking mounting arm keeps fixture in aimed position to reduce costly callbacks
- Ground screw boss in arm

Standard materials:

- Fixture: Zinc die-cast alloy
- Gasket: Heat-resistant composition or high-temperature silicone
- Socket: Center contact, porcelain, medium base

Standard finish:

- Powder-coated finish

Compliances:

- UL listed and CSA certified
- Suitable for use in wet locations
