

## Power Tap™ Wedges

### Reliable performance in the harshest environments

- Preclude significant conductor creep and minimize loss of clamping force on connectors
- Contact forces are nearly constant during temperature changes or conductor compaction
- Driving action helps remove oxidation from conductor and lowers contact resistance
- Approved by the Federal government for utility use

Cat. No.	Wire Combinations
<b>Small Taps – Use Shell PT-White</b>	
PT 1010	1/0-#2
PT 1011	#2-#2, 1/0-#4
